## BENEFITS TO YOUR CUSTOMERS

### Cost Savings:

Higher quality gloves minimize ripping, drastically reducing glove use and waste and unnecessary time changing gloves. Additionally, over time, disposable clothing gives a cost savings compared to reusable items.

### Risk Reduction:

Our Eagle Standard ensures our gloves exceed industry safety standards, minimizing risk of product withdrawals, recalls as well as worker skin issues and exposure to toxic chemicals and glove pathogens.

### Glove Solutions:

- Glove contamination
- Ripping gloves
- Fentanyl protection
- Price & supply
- Skin irritation
- Worker efficiency
- Environmental impact
- Ethical supply chain

### Increased Efficiency:

Minimized unnecessary time spent changing ripped gloves boosts worker productivity.
